**Congregations are encouraged  
to bring 2 or more people to participate.**

Regardless of size, whether a congregation is presently a dynamic, vigorous fellowship or is struggling to sustain its present level of vitality, every congregation may use the Acts 16:5 Initiative as a means of considering present and future ministry and of moving by God's grace into a new chapter of life and ministry. Participants will engage in a deliberate process of congregational transformation through conversation, leadership, counsel, and encouragement using the Acts 16:5 Initiative.
